

IMPORTANT STORE UPDATES RELATING TO COVID-19

Our customers' safety and well-being continues to be our top priority at our all of our locations. Our stores are following the CDC guidelines and have implemented added cleaning and sanitation efforts to ensure a safe shopping environment for our employees and customers.

Please remember to shop responsibly and only buy what you need.

We appreciate your patience and understanding during this time.

REFUND/RETURN POLICY:

To ensure the health and safety of our customers and employees, we will not be accepting any returns due to the current COVID-19 health emergency. All sales are final.

STORE HOURS:

Depending on the location, stores may be closing early and/or opening later to disinfect and restock shelves.

PRODUCT AVAILABILITY & WEEKLY PROMOTIONS:

Our weekly promotions will be postponed until further notice. The unprecedented demand has created a massive strain on our supply chain & product availability. We are making our best efforts to have products available across high-demand categories and resolve any inventory issues.
